In Geography I have enjoyed learning about cities and their features'

'I enjoyed making craft birds during PSHE'

'I liked learning about multiplication in maths'

'I liked writing our Stanley stick stories'

'I have loved our new guided reading groups and reading with an adult every day'

Mrs Miller's Message

This week we marked Safer Internet Day on Tuesday with an informative assembly led by Mr Griffin. The children listened intently and shared lots of ideas around keeping yourself safe online. The key focus for this year's Safer Internet Day is how to spot, respond to and report all types of scams online. Please continue to help support your children by having open conversations about what they are playing or watching and remember to keep updating the adult controls. We have attached the spring parent newsletter which has lots of links to help keep you informed around online safety. I wish you all a restful and enjoyable half term break.

Green Bees Update

Half term is the perfect time to enjoy nature and be kind to our planet! Here are some easy ways to go green: walk or cycle instead of using the car, switch off lights and electronics when not in use, and recycle as much as possible. Why not get creative by making crafts from old materials or planting some bee-friendly flowers? Small changes make a big difference!

Change to school lunch ordering

From 24 February 2025, School Grid will only allow parents to order school meals for their child(ren) up to the value of credit they have on their account.

Once the limit is reached, parents will be blocked from ordering further meals and will receive a pop up message asking them to top up before ordering. We would kindly ask parents to clear any outstanding balances before this date.

Attendance Matters

Be a **H.E.R.O.**

(Here Every day Ready On time)

Supporting your child's school attendance.

We would like to remind all parents of the following policy regarding vomiting and diarrhoea. Children with diarrhoea or vomiting should stay away from school until they have not been sick or had diarrhoea for at least 2 days (48 hours)
