Pupil voice: Reception

Science week

- Ruby – I drew a caterpillar in my book. He lived on a leaf
- Sienna – I gave the bug a home
- Archie – I found a ladybird. It had six spots and six legs
- Cody – We have been learning about animals and their habitats. A polar bear has fur to keep him warm in his cold home.

Smart Phone Free Childhood

You may have seen information in the media recently around the Smartphone Free Childhood (SFC) campaign.

Parents at Wheatcroft have led the drive to encourage families to sign the voluntary '[Parent Pact](#)' to delay giving their children a smartphone. If you would like to know more about this campaign, please click on the link below;

Mrs Miller's Message

Science week has been a great success with the children sharing much of what they have learnt through our whole school assembly today. Thank you to our Science lead, Mrs Levesley-Turner, for organising the week. She is looking forward to judging the posters on Monday, so don't forget to bring these in to be in with a chance of winning!

We have been speaking with the children in key stage 2 this week about different ways of ensuring they keep themselves safe. We have had a key focus on the sensible use of chrome books and computers. As a school, our computing systems are protected to ensure that our children are not exposed to anything inappropriate or that could upset them. These systems work very effectively and have been explained to the children this week. Please continue to support us by ensuring that when the children are at home that you regularly check their devices including the settings and parent controls. If you are concerned about anything that you see or hear when talking with your child, then please inform your class teacher straight away.

Attendance Matters

Be a **H.E.R.O.**

(Here Every day Ready On time)

Thank you for continuing to support your child's education by ensuring they regularly attend school and on time.

If you have any questions around attendance, all the information is on our website.
