- **Morris**-I enjoyed drawing my own Wonderland in English.
- **Evie K** – I liked music because we are doing a Latin dance song and I learnt a lot of moves.
- **Ralph** – I enjoyed multiplying by 10 and 100 in Maths
- **Jacob** – I have enjoyed learning about Alice in Wonderland in English.
- **Ettie S** – I've enjoyed Dance, moving like cats and creating a motif.
- **Oscar** – In History I liked learning about the old buildings in Hertford. I researched Hertford Castle for my poster.
- **Thomas** – I liked the Science experiment with bicarbonate of soda and vinegar because it kind of exploded! **Willow** - The carbon dioxide made the glove fill up with gas.

Mrs Miller's Message

Another busy week has come to an end. Today ended with a successful PTFA meeting; thank you to the parents in attendance. We discussed many upcoming events including the Magic Show and Disco. Remember all PTFA events are in the diary dates section on our website.

With only four weeks left of this half term, we look forward to welcoming you to our upcoming parent consultations. Bookings will go live on the evening of 28th January.

If you know of anyone looking for a Nursery place for September 2025, our tours are on 30th January and 25th February. Please ask them to contact the school office to book their place.

I wish you all a relaxing weekend.

Green Bees Update

We are the Green Bees and our aim as Green Bees is to help Wheatcroft be as eco-friendly as possible. Did you know that every Friday we collect the white paper recycling from each class and make sure they are using the least amount of paper possible. Could your white paper be reused for scrap drawing paper? Does your homework need to be printed or could it be uploaded on google classroom? If you need to print more than one page, could you make it double sided?

Rush Green residents association have launched a petition to enforce the existing urban clearway at the Rush Green Roundabout with the aim of making it safer for residents.

Attendance Matters

Be a **H.E.R.O.**

(Here Every day Ready On time)

Supporting your child's school attendance

- Create good routines for mornings at home so that your child can arrive punctually and they are properly equipped; this will also mean your mornings can start calmly too.
- Make time to encourage and show interest. Chat to them about the things they have learnt, what friends they have made and even what they had for lunch! Remember children can be tired when coming out of school, so a short chat over a snack or later that evening may produce a better result than a long list of questions
