Green Bees Update

Thank you to everyone who took part in the Big Garden Bird Watch! Your efforts in counting birds play a vital role in helping the RSPB track bird populations and protect their habitats. This week, the Green Bees participated in the Big Schools Bird Watch on the green in front of the school, spotting and counting different bird species.

Mrs Miller's Message

Our year 3 class visited Hertford this week to find out about our local history. I was so proud when a visitor to the school commented on how sensibly the children were walking towards the town! Thank you to our regular parent helpers for supporting them.

The staff in school have been creating some lovely displays to celebrate our children's work in preparation for our parent consultations. We look forward to welcoming you all in to school on 11th and 12th February. There has been some amazing writing in UKS2. I particularly enjoyed reading the year 6 essays 'What I want to be when I grow up'. There were some imaginative ideas and it was clear that they had put a lot of thought and detail into their essays.

Supporting your child's school attendance

What if my child is too anxious to go to school?

Children can sometimes feel a little bit worried about going to school. Mostly, this is a very normal emotion. It is important to recognise that going into school can help children to feel less worried than letting them stay at home. If your child is anxious over several weeks, talk to their school about how they can support you. The government have put together some useful links on the [Education Hub](#) on mental health support which you may find helpful.
