Mrs Miller’s message

It has been a pleasure to welcome our children back to school this week. They have settled in quickly and returned with a fantastic attitude towards their learning, which has created a really positive start to the term.

We have opportunities to welcome parents into school this term including our Year 6 Sats information meeting, parent consultations and our LKS2 performance at the end of March. Please make sure you check the dairy dates on our website. You can also find next academic year’s term dates too. Safeguarding is always a high priority at Wheatcroft and we would like to hear your views. Please complete the survey by Friday 16th January.

Green Bees

We are excited to introduce our new, clearly labelled paper recycling, mixed recycling and general waste bins around the school. These smart new bins will make it easier for everyone to understand how to dispose of waste correctly.

Can you help?

If you have a current DBS with the school and can volunteer to help in any way, please do get in touch.
