Pupil voice

Reception - Reya - We made hugs out of hand prints and strings. We gave hugs to our friends using them.
Year 1 - Lennon P I enjoyed thinking about what we're good at.
Year 2B - Robyn D I enjoyed doing positive affirmations
Year 2G - Jude L I liked filling up a compliment cup
Year 3 - Szayel W I liked when we wrote compliments on hearts and then put them on the door.
Year 3/4 - Jesse P I taught my table how to draw a 3D portal. I enjoyed it because I like sharing my skills with other people.
Year 4 - We have loved teaching each other a new skill, such as making a foam clay cat, creating a balloon animal and mastering Sudoku
Year 5 - Jasmine F I have enjoyed making a positivity postcard for someone in my class.
Year 5/6 - I loved the assembly with the MP who is someone high up in our country.
Year 6 - We enjoyed writing our gratitude postcards because it made us appreciate the people in our class.

Mrs Miller's message

It has been a very successful week focusing on our children's mental health. We have continued our work around 'This is my place', and the children have been confident in sharing their thoughts and ideas. Thank you to class 2B for sending me a 'Cup full of compliments' this week, it really made my day! The week was completed with a visit from our Local MP, Josh Dean. He spent time with the School Council, talking to them about his role in Parliament, what it's like to represent our community, and how decisions made locally and nationally can shape the wider world. The children were eager to learn about his experiences and shared their own aspirations. He helped them realise how important their role as our school council is. He then joined the whole school for an assembly where pupils asked a wide range of thoughtful and engaging questions. He commented afterwards that they were some of the best questions he'd been asked by primary aged pupils. A lovely way to end such an important week.

Nursery admissions

Nursery admissions close on 27th February. Please follow this [link](#) to our website to make your application or book a place on our final tour on 24th Feb @ 4pm

Online Safety

The spring 2026 online safety newsletter is available on the school website, please take a moment to read this informative newsletter.
