Mrs Miller's message

World Book Day was a great success yesterday, the children and staff costumes were creative, and I know that everyone enjoyed the opportunities to read together across the day. Thank you to the PTFA for organising another successful book fair. I hope that you have had the opportunity to share your child's new books with them at home.
Thomas A, Alessio, Oscar, Lukas & Jack, from our Year 5 cohort, were selected to take part in the 2026 HfL Maths Challenge. The live heat included some extremely challenging questions, but they tackled them together with real determination and teamwork. Each round was scored out of 40 or 45 with a maximum score of 165. Our team scored an impressive 140. Whilst this score didn't secure them a place in the final, I know that Mrs Booth is extremely proud of them. Well done to them all for their hard work, resilience and enthusiasm.
