Walk to School Week

Next week we are taking part in Walk to School Week and would like to encourage all our pupils to try and walk, cycle or scoot to school each day. If this is not possible, then it would be great if you could park 10 minutes away from the school and walk or scoot the last part of the journey.

Mrs Miller's message

Well done to our Year 6 cohort for completing their Sats assessments this week with maturity, determination and positivity. Thank you to Mrs McLeod & Miss Nunn for leading and organising the week so meticulously to ensure our children were well supported. And thank you to the staff and Governors who helped administer the tests. Today we wave a temporary goodbye to Mrs McLeod as she begins her maternity leave. We look forward to hearing her baby news in the upcoming weeks and wish her and her husband all the very best as they prepare to welcome the new addition to their family.

A lot of fun was had today on our Green Bee Day giving our Green Bees a great opportunity to plan, organise and lead activities across the school. Thank you for coming to our after school plant sale; we look forward to finding out how much has been raised to support the development of our sensory garden. Thank you to Mrs Clemmett and Mrs Hobbs for their continued support and dedication to our Green Bees. During our day we held an assembly to say goodbye to Mrs Hobbs who has been working at Wheatcroft as a TA & MSA for 11 years. She will be leaving us on Wednesday 20th May as she has an exciting opportunity to travel to Australia and then following this will be spending more time with her family. I would like to thank Mrs Hobbs for all her support of the children and the school and wish her the very best as she leaves us.
