Weekly News Bulletin – Friday 11th September

Achieving more together

MRS MILLER'S MESSAGE

Welcome back to the new school year. I hope that you have had lovely summer breaks with family and friends. It has been a pleasure to welcome the children back for the next year in their education and particularly lovely to welcome our new children to our Early Years classes. Everyone has remembered our school values well, demonstrating them as they work within their classrooms and around the school. Well done to our new class representatives who have taken on the roles of School Council, Class Ambassadors and Green Bees. I was pleased to present them with their badges and am looking forward to seeing them in action around the school. The Autumn term is always so busy with lots of events and celebrations to bring our community together. I look forward to sharing another year with you all at Wheatcroft.

PUPIL VOICE

Y4 PE development morning
